| Allowable Operation Temperature | -20 °C to 70 °C         |
| Terminal                        | Cable                   |
| Cord Length                     | 1.8 m                   |
| Cable Cross Section             | 2 x 0.3 mm <sup>2</sup> |
| Style                           | angled                  |
| Lifetime                        | 5000 Insertions         |

#### Approvals and Compliances

Detailed information on product approvals, code requirements, usage instructions and detailed test conditions can be looked up in [Details about Approvals](#)

SCHURTER products are designed for use in industrial environments. They have approvals from independent testing bodies according to national and international standards. Products with specific characteristics and requirements such as required in the automotive sector according to IATF 16949, medical technology according to ISO 13485 or in the aerospace industry can be offered exclusively with customer-specific, individual agreements by SCHURTER.

#### Compliances

The product complies with following Guide Lines
